Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

JEFF'S JOTTINGS

The first week of being President went well..only 51 more weeks to go!

Alyssa Cook (Ally) has a great passion for science and she spoke with passion to us on Thursday evening. With the support of the Rotary Clubs of Moruya, Batemans Bay and Narooma, Ally was accepted for the National Youth Science Forum at the ANU in Canberra. Her medical health science interest group visited hospitals, other universities, the AIS and also took part in university level practicals in labs on the ANU campus. She said of the 12 days of the NYSF that she had never been so happily and willingly mentally and physically exhausted in her life!! Following from this, Ally and 5 others were selected by the NYSF to travel to Canada to attend the Canada-wide Science Fair in May. They would represent Australia and help to judge the two winners of the NYSF Award. The Fair was held at the McGill University in Montreal, Quebec. Ally said that she returned home with a new sense of self purpose and motivation plus it has reinforced the knowledge that she does wish to pursue a career in medicine. We wish her well in the future.

We meet on Thursdays at 6 for 6.30 pm at Baywaters Resort, Cnr Kings & Princes Highway, Batemans Bay
