Four Way Test of the things we think, say or do:
 Is it the **TRUTH**?
 Is it **FAIR** to all concerned?
 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
 Will it be **BENEFICIAL** to all concerned?

JEFF'S JOTTINGS

Last Thursday was Youth Night. We heard from four young men who visited the Honeywell Engineering School in December 2016 and three young ladies who were at RYPEN camp in May. The boys were Logan Sydenham, Ted Humphreys, Rhys McDonnell and Rhys Keller and they spoke to us of their experiences. It opened their eyes to the engineering

courses on offer and the work opportunities in engineering. In the afternoon they visited sites including Blue Scope Steel. The boys realise the hard work they have ahead of them to achieve their goals.

Grace Faletose, Lara McKay and Manon Halemin spoke of their apprehension of going to RYPEN camp at Mogo but they felt at home immediately and had a great weekend. Interesting speakers, great leaders, the venue and the delicious food were the highlights. The girls said they will never forget the experience.

Let's talk about your housing future

Most people would like to stay in their own homes and communities for as long as possible. However there may come a time when finances or other factors means you need to explore other options.

What challenges and opportunities do you foresee for your housing in the future? We want to hear about any challenges you, or someone you know, may have had finding somewhere suitable to live.

We also want to hear about the housing choices available in your community. What is important to you when choosing a suitable home? Have you thought about where you might live if your home no longer met your needs? Have you considered downsizing or moving to another area in your retirement?

Housing affordability and housing choice are not just problems for younger people. Increasing numbers of older people are experiencing housing stress and wanting to explore their housing options as they age. Many worry how they will afford aged care and what will happen to their family home.

Council on the Ageing NSW (COTA NSW) is the peak organisation for people over 50 in New South Wales.

Our policy team hosts meetings of Consumer Reference Groups to provide members of the public with an opportunity to share their views on policy issues.

By joining a Consumer Reference Group, consumers can have the opportunity to influence the policies of COTA NSW which we present to the State Government.

WHERE: BAYLINK Community Room, 3 Flora Crescent
Batemans Bay NSW 2536

WHEN: Friday 16 June 2017

TIME: 10am – 12:30pm (morning tea provided)

Above may be of interest to some of our members. This is the first time COTA NSW has visited Batemans Bay to seek residents' thoughts on a range of issues relating to housing choice and affordability. They are limited to 25 attendees so come along and have your say. Will need to RSVP!

Remember when you could still refer to your knees as left and right, instead of good and bad? Good times.
