Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

14 JULY 2016

JEFF`S JOTTINGS

"Every Day that you serve in Rotary, you have the opportunity to change lives. Everything you do matters; every good work makes the world better for us all. In this new Rotary Year, we all have a new chance to change the world for the better, through *Rotary Serving Humanity*." John Germ, 2016-17 Rotary International President

Maureen Manning introduced her grandson, Byron to tell us about his visit to the Rotary International Convention in Seoul. Byron was part of the group of Interactors that Maureen (aka Nan) had supervised over in Seoul. Byron described a very interesting trip which included meeting Interactors from other countries, listening to interesting speakers, cultural shows, tour to the Demilitarized Zone, eating snails, plus also, catching up with our Mr Scorer!

We saw photos of the House of Friendship, which was huge, and the Australian stand was very popular with their blow up yellow kangaroos. They handed out brochures and helped to pack over 6000 meals for the "Stop the Hunger" campaign.

Everyone agreed that this was an experience they would always remember. Byron is looking forward to the next Convention in Atlanta but he will have to get a job first to finance it!!

Help with lobbying for the Rotary Trail

The Eurobodalla Shire Council is seeking comment on its **Recreation and Open Space Strategy**. The strategy's includes recreation and open space for sport, unstructured recreation, health and fitness and recreation facilities.

Why is this of interest to Rotarians?

Because it has an impact on our plans to further improve Korner's Park and Observation Point.

What can you do to help?

By completing a short online survey hosted by *Survey Monkey* before the end of July 2016. The survey is accessed at:

<http://www.esc.nsw.gov.au/inside-council/project-and-exhibitions/major-projects-and-works/recreation-and-open-space-strategy-review>

Scroll down past Recreation and Open Space Strategy Review to Online Survey – click the link which will take you to the Survey Monkey site.

Thanks, by completing the survey it will increase Rotary's lobbying power with council.

We are happy to see Magnus arriving home safely in Copenhagen and being greeted by his brothers. We look forward to meeting Baptiste at the end of the month.

Rotary has reached the \$35 Million PolioPlus Fundraising Goal for the just ending Rotary year - earning the full \$70 Million match from the Bill & Melinda Gates Foundation.

As a consequence of your generosity and the effort of your clubs' Rotarians, Rotary will be able to allocate a full \$105 million in polio grants this coming year.

POLIO PLUS UPDATE: One new case reported this week in Pakistan.
