JEFF'S JOTTINGS

MEETING DATES

The year has got off to a good start with plenty of opportunities for Rotary to showcase to the community what we are all about. Alan and his team are working hard on the Youth Presentation in the Village Centre on the 28th February and it would be good for members to come along and assist. We have two Bunnings Sausage Sizzles coming up and thank you to the members who have put their hands up for those. Also in March we have an extra market so thank you to everyone over this busy time. Many hands make light work!

Charmaine White - RC of Narooma

Charmaine is an inspirational Rotarian. With the help of a grant from RAWCS, Charmaine and a small team of professionals went to Cambodia to provide dental

treatment to children, who live in the rubbish tips of Phnom Penh. She is a busy dental surgeon but gives two weeks each year in various disadvantaged communities overseas. Charmaine told us of her work at the Cambodian World Family founded by Robert Ogle. The children enjoyed their ride into the clinic and would happily and stoically have their teeth inspected and worked on even though they had never been to the dentist before and had no idea what she would do to them. Congratulations Charmaine on your work!

ANU Rural Week March 20 -24

1st year medical students will be visiting the Bay again this year. As in previous years, we will be home hosting them on Tuesday night 21 March 2017 for dinner. (Our usual Thursday meeting will be transferred to the Tuesday). There will be approximately 20 students so would you be able to have two or more students for dinner? They are delighted with a home cooked meal. Please let us know if you are able to host.

Batemans Bay's Youth Exchange Student, Samantha Hanlon gave a successful presentation to her host club in Denmark. We will hear a more about her adventure so far in next week's newsletter.
