The COVID-19 coronavirus is now affecting everyone's life. The future is uncertain but we will continue as normal until we are advised to do otherwise.

Meetings will continue as planned. If you are feeling at all unwell do not come along to meetings. If there is a change to the situation and meetings are cancelled you will be advised by email.

Today we had our Rotary Market for March. April and May markets have been cancelled.

Notification has been received from Nadine Masters that the Rural Week for the First Year Medical Students has been cancelled. Therefore there will be no BBQ at Mackay Park as planned. The meeting will be as usual on Thursday 26th March.

The Moruya Jockey Club has advised that the races will go ahead on Monday 16th March.

The car will be handed over to Meals on Wheels and Yumaro early afternoon.

Bec Thorley was able to speak to us on Thursday. Bec, and her husband, initiated the Greater Mogo Fire Recovery. Rotary has been assisting residents to complete the Fire Impact Form. Tradespeople have been travelling down from Sydney to work on tasks allotted and funds from Rotary have been paying for materials from Camerons Hardware to complete the jobs. Bec is very concerned re residents welfare and mental health. It was distressing to hear of people who have had no help, there have been suicides and residents living without basic needs. Bec will return to the Club in the near future. If you can help with the project see Maureen.
