Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

VERE'S VERITAS

LAST WEEK

Meeting Vere's weekly reminder to live up to this years theme.

Our Club continues to be busy in the community. As we head to the end of this Rotary year and we add up the hours we have freely contributed there would be few groups in our community giving as much as us.

This week alone we assisted with the catering for a conference, we guided young people through Interact, and we had fun amongst our membership.

Let us not stop but continue to **Be a gift to the world**

Poetry, Pasta and Plonk night.

After two very successful occasions this appears to be a feature of our calendar. Last night so much fun was shared by those present. It was great to have a good laugh!

The poetry choices made and their presentation was fantastic.

Thanks to Jeff for this great initiative.

Our Welfare....Get well soon....

Our Club is most fortunate to have a Welfare Officer and to have one of compassion and warmth. Our Officer is Joe Scorer. When Joe knows he is very quick to visit and check up on members and to offer the support they may need.

This week we were very pleased to hear that Dave Ashford is home after time in Canberra Hospital. It is exciting news that he was discharged to home and not to hospital here. Keep doing well and having that great smile and positive attitude.

We also think of Betty Sydenham who has a broken wrist. We hope she recovers quickly and that they finally get the right cast-one which will enable a speedy recovery.

I heard that Maureen law had had a turn recently and some time in hospital. It is hoped that Maureen is doing well.

We are very pleased to see Chris Watson back on two feet and that both knees are working well. Well done Chris. We hope that Mary and Caryl are also recovering well from their ankle issues.

We continue to think of Julie Pradham and hope that her recovery to full strength is going according to plan. Well done to Hardy as her chief carer...doing a good job as always.

And of course Ron who we are very pleased to see at every meeting. We hope that you continue to be strong and positive.

There are members and partners who have started to get the winter sniffles and sore throats. We wish you well as you battle these.

We are a Club which cares about each other and others in the world- so please check up on your Rotary Mate from time to time.

END POLIO

According to experts, Pakistan will prove the biggest challenge to global eradication efforts. However, we've seen recent progress in Pakistan, with the country reporting a near 50 percent reduction in cases in 2016 compared to the same time in 2015.
