On Thursday evening, Rotarian Peter Kable introduced Frances Kerkham PHF and gave us a brief history of the RYLA program, which began in Queensland in 1959. It has since been adopted by Rotary International as a worldwide youth program.

Rotary Youth Leadership Awards is a six day residential program held in January each year for young people aged 18 – 25 years; it is an opportunity to enhance their personal development and leadership potential.

We know Frances well as she has accessed many of Rotary Youth programs but she told us that RYLA was the best to date! There were inspirational speakers and practical learning activities engineered to refine leadership skills and all without access to mobile phones!!!

Frances spoke about networking and developing strategies on dealing with stress, which will help her at the University of Wollongong where she is studying Law and International Studies. After the week no one wanted to leave and many stayed on for hours chatting and making plans to keep in touch. Frances was chosen to return next year as a mentor and she is looking forward to it. Congratulations Frances!
