13 February 2020 (Meeting 2960)
Program: TBA

It has been such an eventful time since the Club's Christmas Dinner and it was great to meet up again and just have an evening of fellowship. Everyone had a tale to tell after the fires. We were happy to see John and Hardy and we wish them all the best as they go forward with clearing and insurance etc.

Rotary has five storage sheds of donated goods. Most of these have been sorted and many care packs have been distributed. Back to School packs are being given to children requiring them. If you know of any families who require assistance please contact Maureen Manning.

This year the Australia Day Breakfast will be a free event. We are giving back to the Community after the grief and trauma of the past month. A thousand tickets have been printed and the total breakfasts served will be limited to that number. Donations to the Bush Fire Appeal will be taken on the day.

As you are probably aware, the Government has taken over the Auditorium at the Soldiers Club for the next three months. The BBYF Presentation Dinner on 6th February has been transferred to the Catalina Golf Club. The Bubble is available to us for our meetings but this is not really suitable when we have a guest speaker. We will have to use the Bubble for our meeting on 30th January but I am in the process of looking for an alternative venue.
