**JEFF'S JOTTINGS**

We had an interesting and inspirational guest speaker last week and he only lives next door in Moruya Rotary Club! John Gillett shared his life with us, about his time in the Police Force and how Angel Flight commenced. Where would we be without volunteers such as John who give their time and effort to help others? Angel Flight transports clients free of charge to medical appointments from rural areas to usually Melbourne or Sydney. Angel Flight pilots are helped by Earth Angels who drive clients from home to airports and then on to hospitals etc. Eurobodalla is classed as rural so if you are aware of anyone who may require the service please check out the web site [www.angelflight.com](http://www.angelflight.com)
