**Four Way Test  
of the things we  
think, say or do:**

**Is it the TRUTH?  
Is it FAIR to all concerned?  
Will it build GOODWILL and BETTER FRIENDSHIPS?  
Will it be BENEFICIAL to all concerned?**

*Even though the numbers were low on Thursday evening, it was a great night of fellowship. President Alan dug deep and delivered a couple of quite funny jokes for his last night! I was instructed on how to ring the bell in readiness for next year and I must say it did not seem too difficult! Hugh Scott gave his report on the June Board Meeting and was thanked for a job well done as Secretary for the past two years. Ivan Ryrie was thanked too by the Club for his many years as Vocational Director. Rotarians are requested to give some thought on whether they would use a Card Reader at meetings. Because of small number at the meeting, this will be discussed further in July. At present only two Rotarians will be visiting the Philippines in February, Vere and Bronwyn. If anyone else changes their mind please contact Vere as soon as possible. Next week will be Changeover Dinner and look forward to seeing everyone there!*

It has been decided by the Board, that the funds set aside after the Tathra bushfires, totalling \$10,000, would be given to the Rotary Club of Bega to assist with the building of a new Training Room. This is to be built as an extension to the Tathra Rural Fire Service fire shed. RFS would acknowledge Rotary in the finished build. Charlie Blomfield will attend Changeover to accept the donation.

We want  
your  
plastic  
bottle  
tops!

Did you know that your plastic bottle tops can change lives? Envision has an amazing project called helping hands. By donating your plastic tops, this organisation melts down the plastic into 3D printing wire to create prosthetic limbs for children. The Rotaract Club of University of Canberra will organise a drop off to the organisation. All we have to do is collect them and once we have a good collection we can hand them over. There is a wonderful video presentation on their website, which was shown to the Club on Thursday evening. <https://envision.org.au/>

Young Josh Spooner (first on the left) loves his football and loves Rotary so he was delighted to see our logo on the Football Banner after donating football jerseys for the U12 team. Josh has some old Rotary Badges which he wears with pride on a Thursday when Mum comes to Rotary. If you have any old Rotary badges gathering dust, Josh would be delighted to have them.
