**Four Way Test  
of the things we  
think, say or do:**

**Is it the TRUTH?  
Is it FAIR to all concerned?  
Will it build GOODWILL and BETTER FRIENDSHIPS?  
Will it be BENEFICIAL to all concerned?**

***PDG Maureen Manning organised and supervised her final RYPEN Camp at Mogo last weekend after running the camps for over 18 years. Two camps each year are run in our District and can have up to 75 young people aged between 14 and 17 attending. The Guest Speakers are chosen to target the age group and Maureen has had a band of faithful helpers to assist. RYPEN is not targeted to the High Achiever but the ordinary "middle of the road" teenager. The RYPEN program consists of plenary sessions, workshops, sport and entertainment activities. The aim is to communicate to the young people a series of ideas, problems and social experiences, which will assist them in forming their own values and moral standards, and also broaden their horizons culturally, socially and academically. Most of the feedback from the participants has been tremendous, however it is well known that teenagers love to push the boundaries so there have been some unforgettable incidences in the past 18 years. Congratulations and thank you Maureen from our Club, Rotary and the 1000+ students who have attended the camps!***
