Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

31 AUGUST, 2017

What interesting Rotarians we have in our Club! Michael Frankvoort gave us a very informative talk about his home country and his life. His patriotism to the Netherlands shone through and we all learned something we did not know about Holland.

The lollies and biscuits were delicious too! Can't believe that Holland is half the size of Tasmania with a population of 17million. They have the top health care in the world; fabulous artists such as Vermeer, Rembrandt and more; are very advanced with solar energy, wind power and electric cars; have more bikes than people and they made the carrots orange!!! Everyone's story is different –Thank you Michael for yours!

It was a cold start to the last winter market this year but the Rotarians were happy and smiling!
