Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

7 APRIL 2016

**VERE'S VERITAS
LAST WEEK**

We were very pleased to welcome the ANU Rural Medical students, undertaking their Yr 3 clinical studies in the Eurobodalla. They are (from left), Russell McGoldrick, Morgan Ryan, Katie Burkitt and Ian McConnell-Whalan.

Morgan and Ian are our scholarship winners. Morgan studied pharmacy as a first degree before deciding on Medicine. Her family lived a nomadic life before her parents settled in Narooma in 2000. She is married to a school teacher and they have two young children. They love living rural, and she hopes to return to the area sometime in the future. Ian studied science, majoring in chemistry and zoology before turning to medicine, to change direction in his life and to build his skills. He has lived in Tasmania and Canberra, where he completed his first degree, whilst working at Questacon for five years. He is committed to rural medicine as the lifestyle appeals to him. He is involved with the Australian Medical Students Association.

RELAY FOR LIFE

A huge thank you to everyone who helped with Relay – those who donated food, those who cooked at the BBQ trailer, who worked in the Van and an extra special thank you to Bruce Clarke who towed both the Food Van and BBQ trailer in and out on both days. We will be donating approx \$800 to the Cancer Council for our Relay efforts. This is a great result, as numbers were down this year – both number of teams and those participating. Nevertheless a successful event. Bay Post has photos.

ROTARY YOUTH EXCHANGE

Whilst Magnus is having a wonderful time on his Australia Safari (he returns to Denmark on 4 July), the Board has decided to host another Exchange Student, who will arrive end July/early August.

His name is Baptiste Bocquet, from Caestre, not far from Lille in northern France. Baptiste is the middle child of five children and he will turn 16 in September. His sponsor club is RC Hazebrouck. Thank you to Nicole and Robbie and their families who will host Baptiste first. School families will then

host him. Again we are grateful to Principal Greg McDonald, staff and students at Batemans Bay High School for their support and nurturing of our exchange students.

END POLIO UPDATE -

One case in Pakistan and one case in Afghanistan this week. So far this year Pakistan 7 cases, Afghanistan 2 cases.
