Four Way Test of the things we think, say or do:
 Is it the **TRUTH**?
 Is it **FAIR** to all concerned?
 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
 Will it be **BENEFICIAL** to all concerned?

JEFF'S JOTTINGS

Thank you to everyone for coming to my Birthday Party on Thursday night!! We all enjoyed your cake Chris and were sorry that you were too sick to join us. We hope you get well soon. It was a fun night listening to Caryl Haslem talk about her life and what a full life it has been – teaching, property development, hospitality, first female on her daughters' school's

P & F and then the National Gallery Foundation! All this plus raising three children and supporting John in his career and political life. We were exhausted just listening to it all. Problems were overcome by good humour, a great amount of energy and a wonderful zeal for life. John introduced and thanked his wife for her talk, quite relieved that she had not given away too many of his secrets! Must be time for a rest now Caryl but we can see we would have to nail your feet to the ground for you to do that!

“Rotary Clubs work hard to attract new members to our ranks, however, it is also important we focus on retaining members, new and old, lest we lose as many as we gain. Finding out members’ interests, expectations and motivations is key to achieving the sort of vibrant, engaging projects that keep membership strong.” Taken from Rotary Down Under June 2017.

With the above in mind, come to Club Assembly next week and have your say. You are the Club!!

COTA NSW CONSUMER
REFERENCE GROUPS

Let's talk about your housing future

Most people would like to stay in their own homes and communities for as long as possible. However there may come a time when finances or other factors means you need to explore other options.

What challenges and opportunities do you foresee for your housing in the future? We want to hear about any challenges you, or someone you know, may have had finding somewhere suitable to live.

We also want to hear about the housing choices available in your community. What is important to you when choosing a suitable home? Have you thought about where you might live if your home no longer met your needs? Have you considered downsizing or moving to another area in your retirement?

Housing affordability and housing choice are not just problems for younger people. Increasing numbers of older people are experiencing housing stress and wanting to explore their housing options as they age. Many worry how they will afford aged care and what will happen to their family home.

Council on the Ageing NSW (COTA NSW) is the peak organisation for people over 50 in New South Wales.

Our policy team hosts meetings of Consumer Reference Groups to provide members of the public with an opportunity to share their views on policy issues.

By joining a Consumer Reference Group, consumers can have the opportunity to influence the policies of COTA NSW which we present to the State Government.

Have a laugh!

I find it ironic that the colours red, white and blue stand for freedom until they are flashing behind you!
