Last Meeting 2702 Club Assembly Strategic Plan

The work which has been undertaken to develop a Strategic Plan for the Club was brought to the Club members at a Club Assembly evening.

The background was reviewed and the intent to develop the Plan was highlighted.

The Mission Statement and Core Beliefs of the Club were highlighted and had come from the various Visioning exercises.

The Objectives for each Service area were listed and are for a three year period. The Action Plans for 2014-15 were also sent to members. While we only had the time to discuss the Objectives there was great comment on these and our way forward.

Members were/are asked to convey any thoughts to Directors prior to the Board meeting on the 16th when it is hoped this project will be completed.

Web Site

One aspect of the Public Relations area which needed urgent attention has been the web site. For several Presidents this has been the only area which has not been able to be resolved. We are most fortunate to now have John Harper in the Club to be able to take a knowledgeable lead on this project.

Therefore it was great to be able to have John launch our new web site to the Club. This will go live after the weekend.

Thanks John and what a marvelous effort.

From the President Our District

All Club members are aware that we belong to a District. We belong to District 9710 and we were fortunate to have had one of our own as the District Governor last year. We have another as the Assistant Governor and Chair of a District committee. Another chairs another District committee.

We try to do our bit for the District through these contributions by individuals but also by accepting District opportunities such as RYPEN, MUNA and RYLA events to name just three.

On **Saturday 20 September** the District Board will be holding its meeting at Bay Waters Resort. We have an invite to attend this meeting in full or in part. If you wish to attend please let me know so I can inform the District Secretary. So far I have two names. Finance and Audit Committee 10 am then after a short break General Meeting starts and concludes at 2pm. PLEASE NOTE: NO LUNCH PROVIDED.

We are also looking at an offer from District to develop a project to drive Membership and an awareness of the Club. With a possible \$500 grant we could develop a new pamphlet to advertise our Club to the community. I have asked John Harper to consider this, and if viable we shall put in a claim for the Grant.

Or it could be a public sign or some other form of advertising to raise an awareness of the Club.

Any ideas...for they are most welcome so we can accept this opportunity from our District.

2015 CALENDAR

We will be producing a Rotary calendar again in 2015 and a wonderful collection of photographs was received. The selection process was very difficult but the finished product will be excellent. Thank you to everyone who responded.

Dear Bruce and all at Rotary Club of Batemans Bay

My name is Mwanaid and I am in Standard 6.

Thank you so much for making your mark on our 2014 Appeal. Your generous donation of \$780 has helped us to buy [a] computer, you have assured that we receive good medical and welfare support and you have also lit up one whole campus for two days.

Thank you so much for helping us to escape the Circle of Poverty! We are so happy to have you in our St Jude's Family.

From all of us at St Jude's!

**THANK YOU FOR YOUR SERVICE
