**Last Meeting 2705  
Our Youth  
Presentations by students who  
attended RYPEN and MUNA events**

Four young members of our community joined with us on Thursday night.

Two had been to the first RYPEN Camp and they were representing the 6 who we sponsored to attend that camp and the 4 who attended the September camp.

Two had been part of the two teams (India and Japan) which we sponsored to MUNA at Old Parliament House.

It was clear from their personal reflections that each of them had had a very good time at their event and gained much from the experience.

Our two RYPEN students were presented with awards at their camp as the most outstanding students. This was a great achievement which acknowledged their involvement and contributions over the weekend.

It was pleasing to hear that they would recommend the camp and that one attended because a school mate had been the year before and spoke well of the experience.

Our MUNA representatives had difficult tasks as they represented the views of nations which held views on world affairs different to our own. But they dressed well and 'we spoke with conviction' on the various topics

One had been last year and one has the ambition to attend again next year...so to win!

Yannick and Ellen, Arun and Abbey certainly showed that the youth of our area can do wonderful things and that they appreciate and deserve our continuing support through the many Youth programs which we offer.

**From the President  
Visitors**

It is exciting to be able to host visitors to the Club.

Our Guest Speakers are always a delight to host but so to the visiting Rotarians, the friends and family members of our Rotarians are a pleasure to welcome.

Over the last few months we have had friends from all parts of the world and from various parts of Australia to our Club. We have had two lots of British visitors, Rotarians from Taiwan, past members from Canberra, a former District Governor from Queensland, family members from New Zealand and Sydney and special friends from all manner of places.

It is exciting to hear their tales and what links they may have to Rotary. At the end of the night it is good to hear that they have had a great time and will speak well of our Club to others.

Over this month we have two events where visitors are especially welcome. The **District Governor's visit** (9 October) and the **Meal to end Polio** (30 October) are for our friends to attend and we ask that you invite all to join us. More the merrier!!

But **our most special visitors** and our warmest welcome will be for our Partners who allow us to serve others as we do.
