TWO GROUPS IN THEIR NEXT YEAR?

**Last Meeting 2708  
Anthony Hall  
Vocation Speaker #1**

A local who is running a business in the area spoke to us on his background, his business life and on the trends for his business in this area. Anthony, the Dealer Principal for Clyde Auto Group, spoke with passion on his vocational direction since being at Moruya High School. He spoke on what has happened and is about to happen in the motor industry over the next few years.

The trends in car sales, nationally and locally, were very interesting. The changes in the local area and the challenges facing businesses were touched upon as was significant legislation such as the "Clarity in Advertising Legislation" which Anthony is very much in favour of for all industry groups.

We look forward to 2025 and to checking if his prediction of how technology is going to deliver us a new form of travelling with electric cars comes to pass.

For "technology is coming", and we will be impressed by what is being planned. Already you can visit Anthony and test the electric car. But sooner than we think this technology will be even more sophisticated.

Wanting to be a mechanic, Anthony went into the motor industry. But having done most tasks within the industry his dream of being a mechanic still is the one aspect of the business in which he is not trained!

Anthony believes that the businesses in the area need to be ready for change, that there is potential for growth within the area and he wishes to be part of a strong business community operating out of Batemans Bay.

"If the talk is good you could hear a pin drop, and that was the case tonight", said Vocational Director Hugh Scott when thanking Anthony.

**From the President  
Our Community...  
and selecting a project**

A desire by many within the Club, expressed through our Visioning sessions, and noted in our new Strategic Plan, has been for the Club to have a significant local project this year.

We have started a list of possibilities at our planning sessions and there has been continued discussion by various individuals and groups.

It is time that we made a decision and started our planning. But what shall we do?

In our local area there are so many worthy causes and projects we could contribute to which would be seen as worthwhile.

As we select a project it has to be one which I believe will meet three criteria.

- ✓ One which the whole Club will enthusiastically get behind.
- ✓ One which will have an achievement date so not to lose the momentum.
- ✓ One which we are able to fund through a careful and achievable fundraising proposal.

This week we have a change in our program due to Alex Brown's upcoming medical exams so we are to be challenged by a Past RI President in a funny address to an American Club... and then set our minds to finding THAT project which we can all support and build.

Come with your ideas and let us start the task!

**SUPPORTING OUR COMMUNITY**

**Mental Health and Rotary's Hat Day**

What a fun night we had supporting this worthy cause.

The winners of the hat competition looked splendid and the room was very colourful!!

Thank you everyone for supporting this event... and we look forward to supporting
