HOW WILL YOU SERVE THESE TWO GROUPS IN
THEIR NEXT YEAR?

Last Meeting 2709 Past RI President Cliff Dochterman Service

As the Club works towards a Strategic Goal of having a major community project each year, we heard from a Past RI President on the topic of Service.

Cliff Dochterman highlighted Service as something Rotary Clubs **do inside their Club** by caring and supporting each other's needs and **for the community** by caring and supporting those in need.

In an amusing address we received some challenges to which we have to find answers;

- How much do we really know about the needs of our community?
- What are the 3 most significant needs of our community?
- Can you reach out to meet the needs of this community?

As we complete 'little acts of kindness to help change our community each day' we should remember Cliff's call as RI President -Real Happiness is Helping Others and our present RI Presidents call- Light Up Rotary.

Let us join these two together over the rest of this year so to help each other and those in need.

After the meeting PDG Bruce Gruber with his banner joined President Alan with the present banner

From the President Selecting the project

From our last Bulletin

As we select a project it has to be one which I believe will meet three criteria.

- ✓ One which the whole Club will enthusiastically get behind.
- ✓ One which will have an achievement date so not to lose the momentum.
- ✓ One which we are able to fund through a careful and achievable fundraising proposal.

Come with your ideas and let us start the task!

(This is happening by this email as agreed)

At our last meeting I indicated that our Community Project ideas to date would be circulated and you would comment directly to me.

Here they are the suggestions you have given at past meetings. I look forward to your suggestions over the next week so we are able to highlight one and work to achieving it....

AIM:

To select a project for the local community to be completed in this Rotary year

SUGGESTIONS TO DATE

- Rotary Park.
- Homeless assistance.
- Indigenous education eg languages

- Continue our efforts in Youth
- Rotary Parks-Disability playground, Holmes Lookout, Observation Lookout. – build as a tourist drive from one place to another
- There are a large number of residents who suffer from financial and/or health difficulties. Identify groups who it is possible for us to provide significant assistance.
- Local project-maintain cemetery behind NAB
- Work with youth to foster pride in ability to work as part of a team and have improved self esteem.
- Disabled Park
- Batemans Bay Business Awards to be revived
- Mogo Zoo Gardens for feeding animals
- Gardens to be furthered at Hope Place
- Swags for Homeless people

NOW is the time to highlight YOUR preferred Community Project for 2014-2015. Thank you for your help so that we are
