Meeting 2720 Australia Day celebration

THANK YOU FOR YOUR SERVICE FOR OUR CLUB...

Every individual here has a role to play.

We all give what we can and what you give is greatly appreciated.

This statement appears in each of our Dinner Bulletins and is one I cannot say enough.

As our Club serves this community in so many ways, individuals give willingly of time and knowledge to make sure our contribution is valuable and successful. This was particularly so for Australia Day last Monday.

The team was there again!

Rotarians and partners who were available stood throughout the morning serving drinks (hot and cold) and making and serving the famous Rotary donuts. Well done to all, and to the President of EarlyAct who assisted too.

But there were those who 'got things ready'. The van had to be stocked. The van had to be taken to and from the event. Teams erected and decorated our shade tents, collected and set out chairs, and brought drinks and refreshments to those who couldn't move from their post! Thank you for the pre-function work.

All contributed greatly to what turned out to be one of the biggest Australia Day celebrations.

What you gave was greatly appreciated as we sought to Light Up Rotary on this special day in our community.

From the President Our Members & Partners

We are a lucky Club and the last few weeks have highlighted what a close community we are. In this I include our partners who allow us to serve as we wish and who join with us at not only social events but at our community contributions.

Hosting everyone at home on the 15th, then joining for a BBQ at Korner's Park (22nd), followed by the Australia Day (26th) contributions highlighted the commitment given by everyone-members and partners.

This week I am sure we will do the same for the Youth Foundation Dinner and next week at the Three Club Joint Meeting at Moruya to hand over the Race Day profits.

This will bring to an end 'a season' of Members and Partners events. I know some partners are looking forward to 'Their Thursdays' returning, but it has been great to share and build the bonds of friendship and community.

Our challenge is to bring more people to our Club to serve the community and to share in developing this special Club Spirit which exists.

Another way we Light Up Rotary!

ACTIVITIES

The DG's wife, Denise, has a fundraising event happening and her raffle tickets, which we agreed to sell, will be given out this week!!!
