Present: 22 including one partner

Apology: Vere & Garry, John & Mary H, Hardy, Peter K, Peter R, Neil, Jeff & Pam, John & Maureen L

Rotary Club of Batemans Bay

Mission Statement

A community focused group of volunteers serving others

Meeting 2731

Korners' Park development plans

Thank you to David Ashford for his work with the Shire Council through Warren Sharpe (Director of Infrastructure) over the location of a new Rotary Park.

We were very sad to see our Rotary Park on Beach Road taken over by the marina development. But the Board has been in discussion on the location of a new park.

Warren kindly addressed our meeting on the plans for the redevelopment of Korner's Park on the north side of the bridge and on how it is being funded. This is the gateway to Batemans Bay and the Council is very keen to have a very attractive park area matching the pleasant environment on the town's foreshore.

We are hoping that we can be part of this plan and have the park renamed to highlight Rotary. Warren addressed what would be required for this to happen.

The plans for Korner's Park and Old Punt Reserve will see a new pathway, retaining walls along the river front, upgraded boat ramp, a new playground and new covered seating and BBQ facilities. An additional aspect could be a quiet area for reflection and contemplation which Warren highlighted as a possible project for us to adopt.

The Board will now look at this idea but I did gather from the meeting that there was an acceptance of this possible project and a definite desire for the park to be known as Korner's Rotary Park.

This would fit with our Rotary Trail idea which would link places of interest or beauty, for visitors to our area-Holmes Lookout, Korner's Park, Corrigan's Reserve (especially the Disabled recreational facilities), Observation Point and Caseys Beach would create a great trail to follow.

This is a significant Rotary community project to gradually work on over the next few years.

From the President Remembering

This weekend is very important in the history of Australia and New Zealand. Many tales of what happened on the various war fronts will be recalled but what does stand out is the number of lives lost for freedom.

Thank you to our representatives at this year's ANZAC Day service in Batemans Bay.

Tomorrow the world will carry on but I hope that by the size of the crowds at the various services, at home and abroad, that some of the lessons from the tales told will be remembered.

I hope that people will be positive in their service towards their fellow man and the creation of a more accepting and peaceful world will result.

**Let us continue to Light Up
Rotary with service before self
as often as possible.**

REMINDER DOING OUR BIT!!! COMMUNITY GRANTS

Applications close 1 May

The Rotary Club of Batemans Bay already provides funding for a variety of smaller local community activities and initiatives. However, the *Community Grants Scheme* has been introduced to identify significant major projects in the Batemans Bay local area for possible financial support.

Under this scheme organisations or groups are able to apply for significant funding to develop community infrastructure, implement community service programs or purchase major items of equipment that are of direct benefit to the local Batemans Bay community.

As a guide, suitable projects under this scheme would seek funding from \$2000 to \$25000 and would involve funding from a variety of other sources in addition to Rotary Club funding.

Please remind groups in the community that applications close on 1 May.

Further Grant scheme details from Neil Simpson

Another way to Light Up Rotary in our community

YOUTH EXCHANGE INBOUND

Magnus Zarling from Denmark who will be 16 when he arrives in July will need accommodation...any ideas!

Task list progress

Paper work completed.

School acceptance completed.

Hosting programme needs our attention!

MUNA-we will again be represented
