## Meeting 2733

### Mothers remembered

Our meeting this week remembered our mothers and the women in our Club and Rotary.

The tables were decorated in pink and the meal had a pink theme. We welcomed our ladies with a complimentary drink and opened the dinner with a few tales which highlighted how important women are to us all!

Our last five new members have been women and we had two present to the Club. Sue and Margaret told us of their life and family history. It was obvious that each has a desire to serve their community and each had sought Rotary to be the way to do that, and we welcome them.

PDG Maureen gave the "2 Minutes of Rotary" address and highlighted the developing role of women in Rotary with the wish that one day there will be a woman as RI President. This was also noted in the latest issue of Rotary Down Under editorial.

The ladies attending were given a small gift at the end of the evening to mark Mothers' Day.

*Today we salute all mothers and thank them for the love, guidance, assistance and patience which they show to us all every day.*

## From the President

### "Party Time"

Celebrations are important and we have a few more coming along before this Rotary year is over. There are two dates to firmly mark on your calendar and these will be our last two partners' nights in this Rotary year.

### Happy Birthday!

The first is on **11 June** when we shall celebrate the **Club's 55<sup>th</sup> Birthday** (10 June 1960). We hope to have a great turn out and to have people from the past joining us so we can celebrate our foundations.

The second is **Changeover (2 July)** when we will celebrate the start of a New Year for Rotary and welcome a new President and Board to administer our affairs.

Each of these opportunities will be great for Fellowship amongst the Club members, and the Alumni and our supporters. It is great to have such occasions and to be thankful for all that has happened in the creation of our history and traditions as a Club.

**I look forward to you joining us for these two significant occasions.**

## Our History

With our birthday approaching it was great to have our Archivist bring us a little history last week. Our Club has a great history and one to be proud of carrying forward.

Joe showed us a small pot which was believed to have been used at the Club to collect fines. This was used around the time of the change to decimal currency (1967).

Joe also read us from an early programme (1967) and highlighted what our area looked like when the Club was young.

He highlighted that we had a Club of over 50 members. This is something for us to keep in mind as we aim to get our Membership to 40!

Maybe we should hear a little more of our Clubs history and know what has happened in our community because of Rotary!

*What do you know about the Rotary Clock...in fact ...do you know where it is in town?*
