Youth events

It is always a delight to hear from the young students of the area who we have supported at various events. Our Youth Programme is very extensive and we have been fortunate to have candidates for most Youth events on the District calendar. Well done to Peter Richardson and the Youth Team for their work.

This week we heard from students who had been to **RYPEN** as candidates and as a Counsellor. It is good to know that after a full and varied programme that the students reflect upon the experience as

*wonderful, life changing,
worthwhile.*

It is also good to hear that those asked to be a Counsellor continue this role well after the camp by remaining in touch with candidates they have assisted at camp.

We also met our **Youth Exchange** student- Taryn McDonald, and her mother Nicole. We will meet Taryn several more times before her final departure for Germany in January. I hope that you agree that Taryn will be an excellent ambassador for the Club during 2016.

Again, thank you for supporting the Youth of this area. It was good to hear that through our programmes we are bringing Rotary to young people who have not heard of Rotary but who once exposed to

From the President Experiences

The *Rotary 2 Minutes* within our weekly programme has become more of a feature over the last six months. Thank you to David A, Garry, Bruce G, David H, John H, Peter K, Maureen M, Alison, Joe, Ron, Jeff and Peter W who have presented special moments in their life and within their Rotary life. Each of these has brought insight into what Rotary experiences have given to the lives of these people.

Rotary is certainly an organisation which serves others. Everyone who has joined our Club certainly has expressed the view that they wish to serve the community.

Each time we do serve others we have a new experience. It could be from the people we meet as we serve a donut from the Van, a sausage at Bunnings or butter another piece of toast at the Breakfast Club. It could be a conversation at a Club meeting or meeting another Rotarian at a joint meeting with our Sister Club (Bungendore) or with our local Clubs (Moruya and Narooma). It could be visiting RYDA, RYPEN or MUNA or as Ivan indicated the interviewing of young scientists who wish to attend the NYSF.

It is important that we gain from our service and I hope that our programme this year has allowed you to gain new insight and new experiences which **Light Up Rotary** for you and your family.

Meet...

Taryn McDonald

At 14 years of age Taryn is the youngest of the 13 students selected by District to experience the Youth Exchange Programme in 2016.

A Year 9 student at St Peter's Anglican College Taryn has started to learn German so she is well prepared for her year in Germany.

A very good Netball player, a musician and a most pleasant young lady, Taryn will be a very good exchange student proudly representing our Club.

WANTED Counsellors

The Board is looking for **Expressions of Interest** from club members for these roles which will be discussed at the June Board meeting

*Counsellor for our Incoming Youth Exchange student- Magnus Zarlmg.

Someone to manage Magnus' stay.

*Counsellor for our Outgoing Youth Exchange student-Taryn McDonald

Someone keeping in contact with Taryn during 2016
