Meeting 2740

Korner's Park Reflection area

We were most fortunate to have Brad Rossiter speak to us on his long held wish to have a nice reflection area where people could sit and give thanks for life and for the joy of living in such a lovely area.

This is to happen as Korner's Park is developed and we support the creation and planting out of a Reflection area.

Work is well underway on the parks redevelopment and very soon we will be asked to assist with the planting of the area possibly within the fortnight.

Brad, a double amputee, a recipient of organ donations and a Shire Citizen of the Year has produced these words to be on the sign as you enter the area

**Forever walking forward,
Head held high,
Reflect on what we have known.
Be thankful for what we have.
Never give up.**

Rotary Trail

David Ashford gave us an update on the developing parts of our Rotary Trail.

Korner's Park is underway. Holmes Lookout plans were tabled and look good. The Botanic Gardens, the Rotary Clock and Nelligen Park are to be added to our Rotary Trail. The Shire Council is working on the signage.

All is on track to link important aspects of the region, and how fitting that our last meeting heard of this development and of Brads vision. We are certainly creating something very useful for our community and tourists to our area.

**A lasting way to
Light Up Rotary.**

From the President THANK YOU FOR YOUR SERVICE FOR OUR CLUB...

Every individual here has a role to play.
We all give what we can and what you give is greatly appreciated.

This little note has been part of each Bulletin this year and really does sum up my feelings towards all members of our Club.

Every member has served the Club in some capacity. The newer members have undertaken training through the RLI course since joining and have gained valuable information. Older members have continued to do what this Club does so well-volunteer and serve others whenever asked.

That is what we want and you have delivered. You have also delivered on Fellowship and making this a good Club to belong to through your humour, support of others and with your laughter.

I am most grateful for your support this year- thank you as you went to

Light Up Rotary
each and every day.
